

Proceedings for the BBSRC workshop on sustainable intensification of agricultural systems in sub-Saharan Africa

The BBSRC workshop, funded through the Global Challenges Research Fund (GCRF), was held at the Biosciences Eastern and Central Africa-International Livestock Research Institute (BecA-ILRI) Hub, Nairobi, Kenya from 13 to 15 March 2017. The purpose of the workshop was to help inform potential future funding opportunities from the GCRF for collaborative research between UK and African scientists on sustainable intensification of agricultural systems in sub-Saharan Africa
